

Rhodes Station Precinct Revitalisation

The City of Canada Bay is transforming the heart of Rhodes through the Rhodes Station Precinct Revitalisation to create a safer, greener, and more welcoming gateway for the community.

The project includes:

- Civil works and road resurfacing
- Safer, wider pedestrian and cycling pathways
- Improved traffic calming
- Streetscape beautification, including landscaping, paving and lighting
- New public art

Public Domain Works Notification – Road Closure – 3rd & 4th of January 2026

The City of Canada Bay will be undertaking works along Walker Street as part of the ongoing Rhodes Station Precinct Revitalisation project.

Work details:

- Saturday, 3rd January 2026, from 6:00 AM to 6:00 PM
- Sunday, 4th January 2026, from 6:00 AM to 6:00 PM

During these times, Walker Street will be fully closed to through-traffic to allow for the safe removal of trees and associated site operations.

Residents and Pedestrian Access:

Driveway access for residents will remain available. Access will be managed by traffic controllers, who will guide vehicles safely through the work zone during works on the 3rd & 4th of January 2026. Pedestrian access through Rhodes Train Station will be maintained over the possession weekend.

Parking Restrictions

To support these works and maintain safe clearance for machinery, parking will not be permitted on Walker Street from 19th December 2025 to 4th January 2026.

- No parking will be allowed on Walker Street.
- Signage and barriers will be installed on the 17th - 19th of December to restrict Parking in the affected areas.

These works are necessary to prepare the area for upcoming road and public-domain improvements.

We thank residents for their patience and understanding while the works are safely completed.
