

## **Rhodes Station Precinct Revitalisation**

The City of Canada Bay is transforming the heart of Rhodes through the Rhodes Station Precinct Revitalisation to create a safer, greener, and more welcoming gateway for the community.

**The project includes:**

- Civil works and road resurfacing
- Safer, wider pedestrian and cycling pathways
- Improved traffic calming
- Streetscape beautification, including landscaping, paving and lighting
- New public art

### **Public Domain Works Notification – 2 Walker Street - Car Park Access**

**To Residents/Tenants of 2 Walker Street**

As part of the Rhodes Station Precinct works, the construction team will be undertaking road construction and asphaltting works at the car park driveway of 2 Walker Street. These activities are required to complete the reinstatement of the area following recent stormwater upgrades.

**Work details:**

- Wednesday, 11 December, from 7:00 PM to 5:00 AM
- Thursday, 12 December, from 7:00 PM to 3:00 AM

During these times, access to the driveway will be restricted due to active construction, machinery operations, and asphalt placement.

A temporary access arrangement will be available for residents who need to enter or exit the car park during the works period.

**Pedestrian access will not be affected.**

**Please note:**

- A minimum 10-minute delay may occur to safely set up the temporary ramp and relocate equipment.
- This is necessary to ensure a safe passage through the work zone for both residents and workers.
- A team of professional traffic controllers will be in place to manage pedestrians and vehicles. Please follow their instructions.

Temporary access will remain open with unrestricted use during daytime hours.

We appreciate your understanding and patience while these essential works are completed safely and efficiently.

**Emergency Contacts**

**Liam Elrington – 0409 572 210,**
